

OSHA 30 HOUR GENERAL INDUSTRY

for

Emergency Services Providers
In cooperation with

This comprehensive class will bring you up to speed on the OSHA General Industry Standards with an emphasis on the Emergency Service Provider. The course will address many aspects of occupational safety and health as they pertain to the EMS, Fire, Police, and Hazardous Material worker. All students will receive an OSHA 30 Hour General Industry Completion Card as well as a High Safety certificate for OSHA Compliance in Emergency Services.

Training will include:

- OSHA Act, Inspections, Enforcement, & Recordkeeping
 - Bloodborne Pathogens & PPE
 - Hazards in Industrial Work Environments
 - Slip / Trip / Fall Hazards
 - Ergonomics / Patient Handling
 - Hazard Identification and Avoidance for Responders
- and many other OSHA mandated requirements. Any supervisor and/or employee responsible for worker safety will benefit from this course.

Presenters:
