Special Project Funding: Projects as determined by the Department to be appropriate and necessary for the implementation of a comprehensive statewide EMS system. The amounts listed below are included in the categorical totals shown above. (This was FY 21-22)

EPCR/Computers Amount: \$50,726.77

Project Narrative:

The council has elected to take the funds and split them up between the agencies that pay for their EPCR. This will assist with financial burden on the services that are paying a plethora for EPCR. Services that have their charting software paid for were able to spend their money on other items that will better assist their agency falling under the EMSOF Funds.

Patient Care Transfer Forms Amount: \$1,537.98

Project Narrative:

The council has purchased patient care transfer forms to better assist with patient transfers from EMS to the receiving facility.

Co2 Detectors Amount: \$7,916.00

Project Narrative:

In an effort to keep our EMS providers safe in unknown situations, (80) co2 detectors were purchased to distribute to the EMS services.
